# WHERE HAVE YOU GONE? BY MARI EVANS

## *Group Talk*

Where have you gone  
with your confident  
walk with  
your crooked smile  
why did you leave  
me  
when you took your  
laughter  
and departed  
are you aware that  
with you  
went the sun  
all the light  
and what few starts  
there were?

where have you gone  
with your confident  
walk your  
crooked smile the  
rent money  
in one pocket and  
my heart  
in another...
